TRIAD Construction Earns Future 50 Award

West Allis, WI – For an amazing third year in a row, Triad Construction has been recognized by the Metropolitan Milwaukee Association of Commerce and Council of Small Business Executives as one of 50 up-and-coming businesses showing significant revenue and employment growth, earning their Master Mettle award.

This year, Milwaukee's Future 50 Program identified the outstanding achievements of local, fast-growing entrepreneurs who continued to grow despite a tough economy.

An [article](#) featuring Triad Construction's third-year, Master Mettle win was published in the September issue of the BizTimes. The company was honored with other winners during the annual Future 50 Luncheon at the Pfister Hotel. Triad Construction would like to thank the dedicated staff, subcontractors, vendors, clients, architects, and engineers who helped them achieve this award.

Triad Construction Inc. is a mid-sized commercial construction firm organized around a team of skilled professionals. They enjoy working with clients who value relationships and need a committed team to help them reach their construction goals.
