Triad Construction Awarded Multiple Construction Contracts

West Allis, WI – Triad Construction was recently awarded several construction contracts in and around the Milwaukee area. Two of the projects Triad Construction will be undertaking this spring include renovations to Tailor Made Products in Oconomowoc and improvements to the MATC downtown campus.

In Oconomowoc, Triad Construction will renovate an office suite for Tailor Made outfitting the space with new offices, conference rooms, and gathering spaces. Triad crews will also perform any necessary upgrades to the floor's plumbing, electrical, and HVAC systems.

For the downtown MATC project, the West Allis construction company will construct new entrances, completing all work while the buildings are occupied.

Triad Construction Inc. is a general contractor specializing in commercial construction that makes it a priority to understand customers' needs. Triad Construction has a strong history of work on new buildings, building additions, and renovations in order to meet the changing needs of the community.
