TRIAD Construction Hires Project Engineer

West Allis, WI – Triad Construction is pleased to announce the recent hiring of Maggie Pugh as Project Engineer. In this role,

Maggie will use her training and experience to assist Project Managers and Superintendents in the growing construction firm.

Maggie comes to us with a Bachelors of Science degree in Architectural Studies and a Minor in Urban Planning. Her training also included Historic Preservation Field Study in Japan.

Triad Construction Inc. is a mid-sized commercial construction firm organized around a team of skilled professionals. They enjoy working with clients who value relationships and are looking for a committed team to help them reach their construction goals.

For more information, please contact them or visit www.triadgc.com.
