TRIAD Awarded GMIA Traveler's Information Station

West Allis, WI – Triad Construction was recently awarded the General Mitchell International Airport Traveler's Information Station project.

The project consists of a new traveler's aid information station located in the main terminal. Construction includes millwork, countertops, new flooring, lighting, electrical and data communication work.

Triad Construction Inc. is a commercial construction firm organized around a team of skilled professionals. They enjoy working with clients who value relationships and are looking for a committed team to help them reach their construction goals.

For more information, please contact them or visit www.triadgc.com.
